Fireside Chat: Entering the Job Market When You Aren't in Person **Wednesday, July 29, 2020** **About the Panelists:**

**Sean McCannell**

is a Principal Talent Advisor who leads the talent acquisition efforts for BioMarin's Technical Operations organization. He has nearly 20 years of experience recruiting for a variety of industries and has spent the past 12 years helping to build BioMarin's employee base to over 3,000 employees.

Tuan Pham

is senior specialist in Process Validation team in BI Fremont. He has over twelve years of work experience in pharmaceutical GMP environment in both Validation and Quality Assurance roles and is passionate about how medicines are made from biological source. He's driven by the challenges and opportunities the world of biopharmaceutical manufacturing brings with it.

**EJ Strehlow**

is a Validation Engineer for Delta Project Management. He was previously with Aziyo Biologics (previously Tissue Banks International), where he began working as an intern at the age of 18. EJ filled many roles with Aziyo, having worked his way from an intern to a Microbiology Technician, Engineering Technician, and eventually a Validation Engineer. He Received his BA in Biology from San Francisco State University in 2019 and likes to spend his free time outdoors and helping others.

Meera Sudhakar

is a talent acquisition leader with over 20 years of experience in building high performing teams & diverse collaborative organizations. Currently, she leads the talent acquisition function for Boehringer Ingelheim's biopharmaceutical business in Fremont, CA.

**Frederick Twigg**

is a biochemical engineer with 5 years' experience in microbial natural products and fermentation. After years of enjoying undergraduate instruction in the basics of bioprocessing, he's now developing an expertise in Biopharma within Boehringer Ingelheim's Process Science – Cell Culture Team in Fremont, CA.

Kim Warner

is a Sr. Talent Acquisition Coordinator who manages BioMarin's Summer Internship program for the North American Region. She has 15 years of experience in the Human Resources field in various industries, six of which are with BioMarin. As an early talent professional, Kim is passionate about connecting students with great opportunities.
