# ISPE TURKEY STUDENT CHAPTER

It is a community of students which is a bridge between Pharmacy Students and Pharmaceutical Industry.

This department is a subcommunity of ISPE Turkey Affiliate. It always contacts with Pharmacy students and organizes seminars, career days and trips to pharma factories.

Turkey Student Department was chosen as a "Student Chapter of The Year in 2009."

# OUR ACTIVITIES

**We introduced ISPE  
Student Chapter and our  
school to the first class.**

**We introduced ISPE Turkey Affiliate and ISPE Turkey Student Chapter to our 1st grade students which came this year. We instructed about the activities that we made in the term and we talked about how can they join our activities.**

**We organized traditional ISPE Meeting Cocktail. We talked and met with students with various snacks also we answered their questions which about our association. We evaluated their requests and suggestions about our association.**

**In order to help students get to know the pharmaceutical industry we organized a trip to Berko Pharmaceutical Production Plant. We went there with 20 students and we showed them pharmaceutical industry clearly.**

**We organized a seminar in which Taner Döven shared his knowledge and experiences about the Global and Turkish Pharmaceutical Sector.**

**We made an Leadership Education with Assoc. Prof. Dr. Buket Aksu who is a member of ISPE Turkey Board of Directors.**

**As ISPE Student Chapter, we attended a seminar on “Data Integrity with Quality-Oriented Approach, Biosimilars and Digital Future” that organized from ISPE Turkey Affiliate .**

**We made a seminar about  
“Personal Development and  
Interview Techniques in Our Career  
Journey” with Ali Raif Pharmacy’s  
Human Resources Manager Pelin  
Türkkaal.**

# We have a request from you!

We expect you to open up new horizons for our future congress by evaluating ISPE New Horizons Congress in Pharmaceutical Industry which was organized in 28th April.

You can share your ideas by joining a survey whose link is in our profile.

In order for our participants to evaluate our congress and make us new horizons, we created a Google form and took the criticisms into consideration.
