

**ISPE**®

San Francisco |  
Bay Area Chapter

**VIRTUAL WEBINAR**

# **PANDEMIC READY FACILITIES AIR HANDLING**

**Wednesday, June 10th | 12 - 1PM PDT**

Are you ready to go back to the office and lab to work?

How can we make our facility safe when there may be 2nd or 3rd waves of Covid 19 infections in the coming months?

How do we modify existing or design new facilities that are pandemic ready?

**In this first installment of the series of Pandemic Ready Facilities, we will look at one of the most dangerous mediums for virus spreading inside the building: Air.**

**REGISTER TODAY!** <http://atdevents.net/register.php>

*FACILITATED BY:*

*PRESENTED BY:*

**CHU  
FOXLIN**

AIA, IIDA, LEED,  
Design Director at  
Gensler

**JOVAN  
PANTELIC**

Assistant  
Professional  
Researcher at the  
Center for Built  
Environment

**KORAY  
KAYA**

Principal with  
AlfaTech

**RICHARD  
DROUIN**

20 year MEP  
Veteran

# PANDEMIC READY FACILITIES AIR HANDLING

Wednesday, June 10th | 12 - 1PM PDT

**CHU FOXLIN**, AIA, IIDA,  
LEED, Design Director at  
Gensler

Based in San Jose, CA. She is on Gensler's Norwest Science Practice Taskforce and a member of Program Committee for ISPE Bay Area Chapter. With 30 + years' experience in designing environment for healthcare, life science and high Tech, she is an expert in creating the optimum experience for her building users. Her projects have received several regional and national design awards.

**KORAY KAYA**,  
Principal with AlfaTech

Based in San Francisco, CA. A Mechanical Engineer with over 15 years of experience, he is committed to HVAC innovation and evolving the field to meet the needs of high-profile clients and the environment. He has worked on a multitude of large scale and complex projects, both as an engineer and a project manager. He brings expert knowledge in system design and sustainable technologies to every project.

**JOVAN PANTELIC**,  
Assistant Professional  
Researcher at the Center for  
Built Environment

His research interests include different aspects of health and energy in buildings. Jovan spent over a decade researching airborne mode of infectious disease transmission. His work includes the study of indoor airflows, occupant's protection with different types of ventilation, development of virus aerosol samplers, and characterization of infectious source aerosol release. Jovan has been working on the utilization of IoT sensing in the indoor environment and recently started research program on the use of IoT environmental sensing for airborne infection control.

**RICHARD DROUIN**,  
20 year MEP Veteran

Spent the past 20 years working at top MEP firms in NYC, specializing in the design of simple, elegant, and cost-effective building systems for airports, commercial offices, transportation facilities, central utility plants, museums, high-rise buildings, hospitals and master plans.

*Complimentary Webinar for ISPE Members and Non-Members*

## **Pandemic Ready Facilities: Air Handling**

**Wednesday, June 10, 2020**

**Noon - 1:00PM**

**Format:**

### **GoToWebinar**

Instructions to join will be emailed one day prior

**Program Manager:**

**Nadia Thorius, Marketing Content Specialist, OSIsoft**

**Graphics by:**

**Savanna Beebee, Marketing Coordinator, Dome Construction**

**Social Media by:**

**Jason Roth, Senior Associate Business Developer, HGA**

## **Registration Instructions**

- 1) Click on the link then log on using your username and password: <http://www.atdevents.net/register.php>
- 2) Click on the appropriate event. Here is where you can download the event flyer also.
- 3) Scroll through the list of registration options and find the one that applies to you then complete the registration. Our site does not send confirmation emails for complimentary events, however, the link to join the webinar will be emailed to you the day before the webinar.

**ISPE California Chapter Members:** If you are an ISPE Member in California, please do not set up a new account, as you should already be in our system (takes a few days after joining). You will need your username and password to log on.

**How To Find Your ISPE Member Number or Update Your Account to a Member Account:** To update your existing account to a Member account, or to add your new ISPE Member account to our website, please forward your confirmation email from ISPE or your ISPE Membership information to Rob Fleming ([rob.fleming@yahoo.com](mailto:rob.fleming@yahoo.com)). We need your Chapter name, your ISPE Member number and expiration date. To retrieve this information, log onto the ISPE website. Click on "Account" on the top right side, then "My Account". Your Membership information (not including your chapter affiliation) is on the left side. Please take a screen shot or make a pdf of the page, then email it along with the name of your chapter to Rob Fleming to update your profile on the atdevents.net site.

**ISPE Members of Other Chapters:** You will not be in our system unless you have previously set up an account. Please follow instructions for Non Members below then follow the instructions to update your account to a member account (see above).

**Non Members:** If you do not have an account, you can set one up on the site using letters (not numbers) as your username.

**HELP: Please email Rob Fleming ([rob.fleming@yahoo.com](mailto:rob.fleming@yahoo.com)) for assistance with registration.**
