

GAMP COP Benelux celebrates its 10th Anniversary

11 October 2018

Program

Since 2008, GAMP COP Benelux brings Life Science Professionals from Belgium & The Netherlands together around all GAMP® related - topics.

Join us during **full-day Seminar** with keynote speakers and case study presentations about evolution, trends and regulatory compliance opportunities related to technology and data for Computerized Systems. During the whole day there are **networking opportunities with Table Tops & Sponsors**.

free of charge Seminar for ISPE Members

Open for ISPE & non-ISPE Members.

Join us to celebrate 10th Anniversary during Dinner.

GAMP COP Europe Steering Committee delegates will join us!
